Principals of the NFIB have been encouraged to personally attend this very important session. Attending from the National Intelligence Council, in addition to Maj Gen Horton, will be its two Vice Chairmen, Mr. Fred Hutchinson and Mr. Graham Fuller, to participate as appropriate but more importantly to assure that we capture the discussion in developing the DCI response to the NSC. The three of us are prepared to meet with you or to prepare any additional material you may require in advance of the 29 May NFIB.

Very respectfully,

Frank B. Horton III
